
Former Chelsea Hardman **“CHOPPER” HARRIS** is Guest Speaker at Local Sportsman’s Dinner

Dear Sirs,

As you will see from the enclosed information leaflet we are shortly going to hold one of our popular football themed “Sportsman’s Evenings” in your area. The evening takes the form of a superb three course dinner, followed by an after dinner talk given by our honoured guest. During which he will regale us with stories and anecdotes from his many years as a top international sportsman.

We have found that these events are popular with individual members of the public who may or may not be football followers. We find that our events are supported by the local business community. **But most of all they are also popular with the local football playing clubs**, who find them the ideal way of meeting and listening to an amazing football talent, and one of England’s truly great footballers.

We are happy to offer tickets in any quantity. From the individual who requires just the one seat, to a club who may require a full table of 10. Or perhaps even multiple tables! Indeed, as you will see from the information leaflet we even offer a discount for a full table of 10 guests.

Naturally the location needs no introduction, as **The Hilton Hotel** is one of the most prestigious venues in your area. This will ensure that we receive a superb dinner in fantastic surroundings. Although not wishing to enforce a strict dress code, we would ask that gentlemen wear lounge suit or come “smart, casual”.

Quite obviously the event will be a complete sell out. We would therefore advise all those interested in attending to ensure that they book their seat(s) or table(s) as soon as possible, as that will be the only way to avoid disappointment.

The ticket price of £49 is inclusive of VAT. A VAT receipt will be forwarded to all those who book with their “written confirmation of booking”.

To book, simply complete and return the enclosed booking form together with your payment. Cheques should be made payable to Excalibur Events Ltd. We are also happy to accept payment by BACS.

Remember, we are just a phone call away and are happy to deal with all of our customers on a personal basis. We are far from being a “faceless” company who are only contactable by e-mail. We are a touch old fashioned, but believe in the principles of personal service. So, should you require any further information, please do not hesitate to contact us. Our contact details are on the information leaflet.

We look forward to hearing from you soon!
